YEARS OF
EXCELLENCE

Prof. Dr. Bashir Ahmad Director, RIPS- LHR

Prof. Dr. Bashir Ahmad is an expert of Clinical Pharmacology having more than 44 years of national and international experience in academia, research and administration. He retired as professor/head of pharmacology and Dean, faculty of pharmacy, university of the Punjab, Lahore. He has published more than 130 impact factor publications in national and international journals. He received his graduation from Pharmacy Department, University of Punjab and, Ph.D. degree from University of Wales, UK and Post-Doctoral Fellowship (NIDA/INVEST) from NIH, USA. He has vision and plans to raise this institute academically and professionally at par with the leading Universities of the world.

OVERVIEW

Riphah Institute of Pharmaceutical Sciences (RIPS) is functioning under the umbrella of Riphah International University – a chartered “W” Category University by the Federal Government and recognized by the Higher Education Commission. The Institute has already been accredited by the Pharmacy Council of Pakistan. The institute is housed in a purpose-built dedicated campus. RIPS has 14 Labs, 5 Lecture Halls an auditorium and a Conference room. All the laboratories are fully equipped with the latest equipment for conducting practical as well as research work. The Labs, Lecture Halls and Seminar Library, auditorium and Conference room are all air-conditioned while the Lecture Halls are fully equipped with multimedia system/overhead projectors and sound system. RIPS has a strong Faculty of 30 highly qualified and experienced academicians including 7 Ph.D.'s. besides 8 visiting faculty members. RIPS has two libraries, the Main Library and the Seminar library which maintains a Book Bank providing textbooks to all the students.

MISSION STATEMENT

To develop human resources in the field of Pharmacy who can respond to the present as well as future needs of the society at home and abroad with an ethical orientation.

To have collaborative research interaction with universities and research institutions in Pakistan and also abroad.
