Nursing: The Balance of Mind, Body, and Spirit
“As a nurse, we have the opportunity to heal the heart, mind, soul and body of our patients, their families and ourselves. They may not remember your name but they will never forget the way you made them feel.” By Maya Angelou.

International Nurses Day (IND) is celebrated every year all around the world on 12th of May to commemorate the birth anniversary of the Florence Nightingale (the founder of modern Nursing) and to mark the nurses’ contributions towards people’s health and society.

This year theme of the day is:

“Nurses: a voice to lead - achieving the Sustainable Development Goals.”

We are celebrating Nurses Day in IIMC T Pakistan Railway Hospital on Saturday 13th of May 2017 at 11 am in Lecture Hall 1.
