Riphah International University is a private sector university, chartered by the Federal Government of Pakistan in 2002. The University was established with a view to produce professionals with Islamic moral and ethical values. It is sponsored by a not-for-profit trust namely Islamic International Medical College Trust (IIMCT), which was established in 1995. The first project of the IIMCT was the Islamic International Medical College, Rawalpindi, established in 1996 by its Founding Managing Trustee (Late) Maj. Gen. (R) Muhammad Zulfiqar Ali Khan, TI(M), TBt.
Mission Statement

“Establishment of State-of-the-Art Educational Institutions with a Focus on Inculcating Islamic Ethical Values”

Vision

Excel in development of a holistic value based research, education and training programs.

Establish at national and international levels, state of the art educational, research, training institutions, in line with international best practices, with integration of universal Islamic values and Pakistan Ideology, in order to produce dynamic human beings.

Develop and implement educational strategies, problems based academic programs, teaching material, report, surveys and research material to enhance the quality of education and training in various disciplines in higher education.

Play leadership role at national and international levels in systematic reforms (islah), transformation (tazkiyah), creation of tolerance and forbearance (sabr, istiqamah) and innovative solutions (ijtihad) for social change.

Establish model institutions particularly in holistic health care, in order to improve quality of life of the needy in society.

Late Maj. Gen. (R) Muhammad Zulfiqar Ali Khan TI(M), TBt

Late Maj. Gen. (R) Muhammad Zulfiqar Ali Khan TI (M), TBt hardly needs any introduction. He was an internationally renowned Cardiologist and a medical personality of unquestionable integrity with exceptional caliber. He was founding Chairman of the Islamic International Medical College Trust, a not for profit educational trust established in 1995. He has to his credit the establishment and smooth running of AFIC / NIHD, Islamic International Medical College Trust, Hearts International Hospital and Pakistan National Heart Association (PANAH). These Institutions are living tribute to his professional capabilities and administrative skills.

Late Major General Zulfiqar Ali Khan founded Islamic International Medical College Trust in 1995 with a view to establish state of the art educational institutions with total commitments to Islamic values and to produce graduates who should not only be good doctors, physiologist, psychologists, dentists, chemists and good educationists but also very good Muslims, human beings and good citizen. Despite having very meager resources, he managed to pool the best talent of the country and succeeded in forming a team who carried his torch and worked with utmost devotion and dedication for accomplishment of his mission.

His vision of the trust with day one had not been merely opening educational institutions but a movement for integration of Islamic Values in our various disciplines and in character building of students. He always emphasized that the strength of the IIMCT was not in physical expansion but in its translation of Islamic ethical and moral values in the behavior of its faculty members, students and administrative staff. He frequently told his colleagues that younger generation could not be influenced with verbal claims. They could be influenced, guided, inspired and motivated by men of robust character.

May Almighty Allah bless us with the strength, guidance and wisdom to promote his mission.
Chancellor’s Message

Mr. Hassan Muhammad Khan

Mr. Hassan Muhammad Khan has done dual majors in Industrial Engineering and Economics from Boston, USA, which he followed up with a Masters in Business Administration. He has traveled widely in the world and his areas of interest include innovation in management and educational models. As an educationist of distinction, Mr. Hassan Khan has played a pivotal role in establishment, development and recognition of institutions of Riphah International University.

Socio-economic development of our country is inextricably linked with its higher education system, particularly scientific research and innovation in technology. In view of the knowledge explosion, globalization and rapidly changing scenario.

Riphah International University has established high quality institutions of higher education specializing in the Sciences, Engineering, Technology, Medicine, Management, Information Technology and Pharmaceutical Sciences.

In the present era of global competition, Pakistan needs scientists, engineers, managers, software and information technology professionals, medical doctors, social scientists and highly competitive work force to meet the challenges of 21st century.

We are determined to inculcate morality, ethics, Islamic values and national spirit in our students, in addition to high degree of professional competitiveness.

With a faculty of highly qualified professional teachers and dedicated students, Riphah International University is set to play its crucial role in the economic development of Pakistan.
Welcome to Riphah, the seat of higher education, learning and research. Your learning experience at Riphah shall, Insha Allah, help you in not only improving your level of knowledge but also assist in developing leadership qualities, culture of research, and awareness about your social responsibility.

Our mission statement tells, in shortest possible words, about our dream to excel in education while build ethical and moral behavior of our students. This, in our view, is the essence of education.

Education essentially means inculcation of values in order to civilize, initiate comprehensive development, progress and social change. Universities all over the world act as engines of change through production of knowledge. In our case our faith makes producing beneficial (nafi) knowledge an obligation on every Muslim male and female.

Our Book on every page invites us to search, learn, ponder, investigate, conduct research, develop critical and analytical thinking and come up with solutions for emerging problems. This great task calls for sincerity (ikhlas), conviction (iman), continuous effort (sabr) and persistence in our striving (istiqamah) with innovative strategies (ijtihad), and ongoing concentrated initiatives.

The university is committed to inculcate global Islamic ethical values of truthfulness, honesty, integrity, trusteeship, social responsibility, and courage. We want to produce leaders in knowledge with uprightness, strength of character and humbleness. Riphah is a movement for intellectual leadership of the Muslim ummah with focus on integration of Islamic ethical values in scientific research and development.
Governance

The Honourable President of Islamic Republic of Pakistan is the Patron of the University. Late Maj. Gen. (R) Muhammad Zulfiqar Ali Khan was the Founding Chancellor. Mr. Hassan Muhammad Khan is the Chancellor of the University and Prof. Dr. Anis Ahmad, an eminent scholar of international repute and educationist of distinction, is the founding Vice Chancellor of the University. The vice chancellor is the chief executive and academic head of the university. The Board of Governors (BoG) and the Academic Council are the highest policy making bodies of the University.

Islamabad (Meaning "Abode of Islam" or "Abode of Peace") is the capital of Pakistan, and is the ninth largest city in Pakistan with an estimated population of 1.1 million in 2017. The Rawalpindi/ Islamabad Metropolitan Area is the third largest in Pakistan, with a population of over 3.1 million inhabitants.
Islamabad is located in the Pothohar Plateau in the north of the country, within the Islamabad Capital Territory. The region has historically been a part of the crossroads of Punjab and Khyber Pakhtunkhwa, Margalla pass being a gateway to the Khyber Pakhtunkhwa. The city was built during the 1960s to replace Karachi as Pakistan’s capital.
Faisal Mosque

If you like to offer Friday prayer along with Jamat (big assembly), the Riphah International University owns a big mosque for both male and female graduates in I-14 campus, or if you like to separate from the hustle and bustle of city life, you may move to largest mosque Faisal Mosque in Islamabad, Pakistan on your own. It is the biggest mosque of South Asia as well and the sixth largest mosque in the world with covered area of 5000 square meter (54,000 square feet), and room for containing as many as 300,000 worshipers in its main prayer hall, porticoes, courtyard and adjoining grounds. It is considered as the National Mosque of Pakistan. Its 12 minutes ride away as well as the feeling of a quiet haven. It truly is the best of both worlds.

Saidpur Village

Saidpur Village in Islamabad is named after Said Khan, the son of Sultan Sarang Khan. The 500 year old village was converted into the a place of Hindu worship by a Mughal commander, Raja Man Singh. He constructed a number of small ponds: Rama kunda, Sita kunda, Lakshaman kunda, and Hanuman kunda. The region is home to many Hindu temples that are preserved, showing the history of Hindu civilization and architecture in the region. The shrine of Sufi mystic Pir Meher Ali Shah is located at Golra Sharif, which has a rich cultural heritage of the pre-Islamic period. Archaeological remains of the Buddhist era can still be found in the region.

Lok Virsa

The Lok Virsa in Islamabad preserves the living folk and traditional culture of Pakistan. The Folk Heritage Museum, located near Shakarprian hills, has a large display of embroidered costumes, jewellery, woodwork, black printing, ivory, and bone work from the region and other parts of Pakistan.
Geographically we are in the heart of twin cities connected by all major highways from KPK and Punjab. From the Taste of beautiful green Islamabad with famous busy market of saddar Rawalpindi. Off campus, visit museums and landmarks-Pakistan Monument Museum, Lok Virsa Museum, Shakarparian or muse yourself with window shopping & corporate culture at Centauras and for cheap shopping go for Saddar and Raja Bazar. You may also enjoy eating out at walking distance from your campus. Riphah International University gives you all benefits of a city, with Des Pardes, Pizza Hut, KFC, Mc Donalds, Sub way and several other fast food & traditional dining and entertainment just a walking distance from Al-Mizan Campus.

Famous Landmarks

Islamabad is home to many migrants from other regions of Pakistan and has a cultural and religious diversity of considerable antiquity. Due to its location on the Pothohar Plateau, remnants of ancient cultures and civilizations such as Aryan, Soanian, and Indus Valley civilization can still be found in the region. A 15th century Gakhar Fort, Pharwala Fort, is located near Islamabad which was built on the remains of a 10th century Hindu fort. Rawat Fort in the region was built by the Gakhars in 16th century where the grave of the Gakhar chief, Sultan Sarang Khan, is located.

Culture
The University is spread across five different locations in Islamabad & Rawalpindi.

(i) I-14 Campus is located at Haji Camp, Islamabad, where Faculties of Engineering & Applied Sciences, Computing (male) and Social Sciences are located.

(ii) City Campus is in Sector G-7, Islamabad where Riphah Institute of Pharmaceutical Sciences Islamic International Dental College, Riphah College of Rehabilitation Sciences (Male) are located.

(iii) City Campus-II is in Sector F-5, Islamabad where Riphah Institute of Public Policy, Riphah Institute of Systems Engineering and Riphah NCUK Program, Riphah Institute of Healthcare Improvement and Safety are located.

(iv) Al-Mizan Campus is located at the main Peshawar Road, Rawalpindi in the historic premises of the Old Supreme Court. The Islamic International Medical College, Faculty of Management Science, Riphah Institute of Media Sciences and Riphah FM 102.2 are located.

(v) Riphah Female Campus is a female only campus located in Sector H-8, Islamabad. Where Riphah College of Rehabilitation Sciences, Department of Social Sciences and Humanities and Faculty of Computing are located.

Teaching Hospitals

(i) IIMCT Pakistan Railways General Hospital, Rawalpindi
(ii) Islamic International Dental Hospital, Islamabad
(iii) Riphah International Hospital, Islamabad
(iv) Hearts International Hospital, Rawalpindi
Riphah International University plans to build a 600-beds hospital and a new state-of-the-art campus at Gulberg Greens in Islamabad. The project will be completed in two years.

A ceremony was held at Marriott Hotel Islamabad on 4th May, 2018 to launch the project. This new campus covering over 1 million sq-ft constructed area is located on a 200 canal site on main Islamabad highway. It will consist of a state of the art 600 beds hospital and a most modern iconic campus, staff and students’ residences, a Center for Innovation, Business Incubation Center, state of the art Library & Learning Resource Center and a grand Central Mosque.

The campus will be equipped with the most modern learning and campus management resources with focus on low energy footprint and providing a healthy natural learning environment which will be culturally in line with the ideology of Pakistan.

This project will be a state of the art in healthcare sector and it will deploy modern technologies including modern ventilation, heating and cooling system, modern drain system for natural rain water. Proper use of day light makes it environment friendly and energy efficient project.

An international consortium of architects comprising JRHP, environmental specialists firm VERDOUS, engineering firm RAMBOLL and medical planners Keppie have already been working with Riphah for the design of the project.
Lahore is known as Pakistan’s educational capital, having universities and colleges more than any other city of the country. The city nurtures the biggest number of professionals in the fields of Science, Information Technology, Engineering, Medical Sciences, Nuclear Sciences, Pharmacy, Telecommunication, Biotechnology and so on.

To cater the educational needs of Lahore, Riphah International University opened its first state of the art campus within the heart of the city (Township) in July, 2012. Currently the Lahore campus is offering more than 40 programs in Pharmaceutical Sciences, Rehabilitation Sciences, Management Sciences, Computing, Engineering and Social & Applied Sciences.

Since its inauguration in 2012, the family of Riphah Lahore Campus which comprises of students, parents, faculty members and management staff have been growing at a rapid pace. Currently, Lahore Campus has more than 3400 students in undergraduate and post graduate programs and 225 full-time faculty members, including 55 PhDs.

Riphah Lahore’s growth streak is certainly attributed to highly qualified faculty, latest lab facilities, Rehabilitation Center, lecture halls, conducive learning environment, technology and WiFi enabled premises and several other worthwhile facilities.

For its students to have clinical training in professional environment Riphah Lahore Campus has also signed a Memorandum of Understanding (MoU) with National Hospital, DHA and Sheikh Zaid Hospital, which offer contemporary Rehabilitation & Clinical Infrastructure.

In December, 2015, RIPHAI Lahore reached another milestone by inaugurating its 50 Kanal Raiwind Road Master Campus. Doctor of Veterinary Medicine (DVM) and Live Stock Assistant Diploma (LAD) classes are currently offered there by Riphah College of Veterinary Sciences (RCVETS).

In 2016, Riphah Lahore campus expended its operations by opening Quaid-e-azam campus at Quaid-e-azam Industrial Estate Kot Lakhpat Lahore.

The historical city of Faisalabad, known as ‘Manchester of Pakistan’, is among one of the first planned cities of the country. Founded as an agricultural market, Faisalabad has now emerged as a giant metropolitan city and regarded as one of the top cities in terms of growth in industrialization and population. Considering the increase demand for the educational facilities, Riphah International University established its state of the art campus in Faisalabad.

Situated at Main Satiana Road in Faisalabad, the purpose-built campus is spread over 3 acres of land. The vast grassy plots grasp the attention and provide a pleasant look to the campus. Around 26 departments are currently working in accordance with the Riphah’s mission of imparting high quality education to more then 2,000 students with focus on Islamic ethical values.
Five batches of dentists graduated from RAK College of Dental Sciences, UAE. It is worth mentioning that the first batch of dentists was graduated in the year 2012.

The newly built campus of the College is a State-of-the-Art, purpose-built Oral Healthcare Center, providing the latest learning facilities for the students and the nest clinical facilities for the local community. This hospital is the largest hospital in the UAE.

The college currently has students from 21 nations including UAE, Bahrain, Saudi Arabia, India, Bangladesh, Syria, Pakistan, Jordan, UK, Canada and USA.

RAKCODS is providing clinic based training cum learning environment and is known as one of the best learning places for the students in the region.

Ras Al Khaimah (RAK) occupies a strategic location in the heart of the Middle East on the busy Strait of Hormuz and is the furthest north of the seven Emirates that make up the United Arab Emirates (UAE). Boasting the UAE’s longest coastline, Ras Al Khaimah translates from Arabic to English as “the top of the tent” due to its position, and is the most scenic of the Emirates with landscape ranging from fertile plains, mountains, desert regions and kilometers of untouched coastline and white sandy beaches.

RAK College of Dental Sciences in Ras Al Khaimah, UAE is an International venture with Islamic International Dental College of Riphah International University. It was founded in 2007 to impart professional education of international standard to its students.

- Department of Social Sciences (DSS), Islamabad, established in 1996 and Faisalabad in 2013
- Riphah Institute of Media Sciences (RIMS), Rawalpindi, established in 2006
- Riphah Institute of Language & Literature (RILL) Lahore, 2015
- Riphah Institute of Language & Literature, Lahore (RILL) 2012
- Riphah Institute of Clinical & Professional Psychology, Lahore 2015

Faculty of Veterinary Sciences (FVS)
- Riphah College of Veterinary Sciences (RCVets), Lahore, established in 2012

Riphah-NCUK Programs
- Riphah-NCUK is 1st & only HEC approved delivery partner in Pakistan offering under graduate degree programs in Electrical Engineering (UK), Computing (UK) and Business Studies (UK) in collaboration with Northern Consortium of UK (NCUK), since 2010, for progression to one of the 16 UK universities.

RAK College of Dental Sciences (RAKODS), Ras-AlKhaimah, UAE, established in 2007

Teaching Hospitals

IIMCT Pakistan Railways General Hospital, Rawalpindi
Administered since 1998 (350 Beds)

Islamic International Dental Hospital, Islamabad
Established in 2001 (125 Dental Chairs)

Riphah International Hospital, Islamabad
Established in 2014 (160 Beds)

Hearts International Hospital, Rawalpindi
Affiliated (100 Beds)
Programs Offered

Islamic International Medical College (IIMC) (Isb)
- MBBS-Bachelor of Medicine & Bachelor of Surgery
- MSc Pain Medicine
- Masters in Health Professions Education (MHPE)
- Diploma in Anesthesia
- Certificate in Health Professions Education (CHPE)
- Diploma in Healthcare Quality & Patient Safety (DHQPS)
- M. Phil in Basic Medical Sciences
  - Anatomy
  - Biochemistry
  - Histopathology
  - Microbiology
  - Pharmacology
- Ph.D Programs
  - Pharmacology
  - Biochemistry
  - Pathology
  - FCPS Part II Training Dental

Islamic International Dental College (IIDC) (Isb)
- BDS - Bachelor of Dental Surgery
- MDS Orthodontics
- MDS Operative Dentistry
- M. Phil Dental Material
- FCPS Part II Training Dentistry

Faculty of Management Sciences (FMS)
- BBA after 12 years of education (Isb & Lhr)
- BBA after 14 years of education (Isb & Lhr)
- BS Accounting & Finance (BSA & F) (Isb & Lhr)
- BS Project & Supply Chain Management (Isb & Lhr)
- BS Management Sciences (Isb)
- Masters in Commerce (M. Com) (Isb)
- MBA (Isb & Lhr)
- MS Project Management (Isb & Lhr)
- MS Management Sciences (Isb & Lhr)
- MS HealthCare Management (Isb)
- MS Engineering Management (Isb & Lhr)
- MS Accounting & Finance (Isb)
- Ph.D Management Sciences (Isb)
- Professional Graduate Diploma in Management Sciences (Isb)

Riphah Institute of Media Sciences (RIMS)
- BS Media Studies (Isb)
- BS Mass Communication (Isb)
- BS Film Production (Isb)
- BS Game Design & Production (Isb)
- MSc Mass Communication (Isb)
- MA Broadcast Journalism (Isb)
- MA Media Production (Isb)
- MS Media Studies (Isb)
- Diploma in Editing & Motion Graphics (Isb)
- PGD Visual Effects & Composing (Isb)
- PGD TV Production (Isb)
- PhD Creative Arts & Communication (Isb)

Faculty of Engineering
- BSc Electrical Engineering (Isb & Lhr)
- BSc Electrical Engineering Technology (Lhr)
- BSc Biomedical Engineering (Isb)
- MS Electrical Engineering (Isb & Lhr)
- MS Biomedical Engineering (Isb)
- Ph.D Electrical Engineering (Isb)
- Ph.D Biomedical Engineering (Isb)

Department of Basic Sciences (DBS)
- BS Mathematics (Isb & Lhr)
- BS Physics (Isb & Lhr)
- MSc Mathematics (Isb & Lhr)
- MSc Physics (Isb & Lhr)
- M. Phil Mathematics (Isb & Lhr)
- M. Phil Physics (Isb & Lhr)
• M. Phil Statistics (Isb)
• Ph.D Mathematics (Isb & Lhr)
• Ph.D Physics (Isb & Lhr)
• Ph.D Statistics (Isb)

**Faculty of Computing**
• BS Computer Science (Isb & Lhr)
• BS Software Engineering (Isb & Lhr)
• BS Computer Arts (Isb)
• MS Computer Science (Lhr)
• MS Software Engineering (Isb)
• Ph.D Computing (Isb)

**Faculty of Rehabilitation and Allied Health Sciences (FRAHS)**
• DPT (Doctor of Physical Therapy) (Isb & Lhr)
• MS OMPT (Orthopedic Manual Physical Therapy) (Isb & Lhr)
• MS SLPT (Speech Language Pathology Therapy) (Isb & Lhr)
• MS CPPT (Cardio Pulmonary Physical Therapy) (Isb)
• MS NMPT (Neuromuscular Physical Therapy) (Isb & Lhr)
• MS SPT (Sports Physical Therapy) (Isb)
• MS WHPT (Women Health Physical Therapy) (Isb)
• Ph.D Rehabilitation Sciences (Isb & Lhr)

**Faculty of Pharmaceutical Sciences (FPS)**
• Doctor of Pharmacy (Pharm. D) (Isb & Lhr)
• M. Phil. Pharmaceutics (Isb & Lhr)
• M. Phil. Pharmaceutical Chemistry (Isb & Lhr)
• M. Phil Pharmacology (Isb & Lhr)
• M. Phil Pharmacognosy (Isb)
• Ph.D Pharmaceutical Chemistry (Isb)
• Ph.D Pharmacology (Isb)
• Ph.D Pharmaceutics (Isb)

**Faculty of Social Sciences (DSS)**
• BS English Linguistics & Literature (Isb & Lhr)
• BS Applied Psychology (Isb & Lhr)
• M.A English Linguistics & Literature (Isb & Lhr)
• MSc Applied Psychology (Isb)
• MS Clinical Psychology Topup (1 year) (Lhr)
• MS Clinical Psychology (2 year) (Lhr)
• MS Industrial & Organizational Psychology (Lhr)
• M. Phil Applied Psychology (Lhr)
• M. Phil English (Linguistics & Literature) (2 years) (Lhr)
• PGD in Professional Ethics and Teaching Methodology (Isb)
• Advanced Diploma in Clinical Psychology (ADCP) (Isb & Lhr)

**Riphah Institute of Public Policy (RIPP)**
• M. Phil in Public Policy (Isb)

**Riphah Institute of System Engineering (RISE)**
• MS Information Security (Isb)
• MS Data Science (Isb)

**Riphah NUCK Program Pakistan**
• International Foundation Year – Engineering
• International Foundation Year – Business
• International Foundation Year – Design
• International Year One – Engineering
• International Year One – Business
• International Year One – Accounting & Finance

**Faculty of Veterinary Sciences (FVS) (Lahore)**
• Doctor of Veterinary Medicine (DVM) (5 Years)
• Livestock Assistant Diploma (2 Years)

**Law Studies**
• BA LLB (5 Years)

* Isb - Islamabad Campus
* Lhr - Lahore Campus
Accreditations, Recognitions & Memberships

Accreditations

- Federal Charter by the Government of Pakistan
- Degree Programs recognized by Higher Education Commission (HEC)
- Pakistan Medical and Dental Council (PM&DC)
- Pakistan Engineering Council (PEC)
- Pharmacy Council of Pakistan (PCP)
- Pakistan Veterinary Medical Council (PVMC)
- National Business Education Accreditation Council (NBEAC)
- National Computing Education Accreditation Council (NCEAC)

Recognitions & Memberships

- Membership of Washington Accord for accrediting Electrical Engineering degree program
- Association of Commonwealth Universities (ACU)
- Vice Chancellors’ Committee of Pakistan (VCCP)

Quality Enhancement Cell (QEC) was established, in Riphah International University, in Oct 2009 by Higher Education Commission (HEC) with a mandate to monitor quality of education through a well-structured feedback mechanism. The feedback is obtained from the current and ex-students, faculty and employers. Since its inception QEC has been working progressively to ensure that students are provided with the conducive learning environment and faculties meet the global education quality standards.

QEC regularly organizes information seminars in the university for the program team members, faculty and senior management on the subject of quality assurance and preparation of self-assessment reports. Riphah International University has been represented in a number of national and international events in order to learn and share the global practices. Quality Enhancement Cell is a progressive and dynamic unit of Riphah International University, which is moving at a rapid pace to achieve distinctions in Quality Circles.

**OBJECTIVES**

- Maintain and continuously enhance academic standards
- Enhance student’s learning
- Verify that the existing programs meet their objectives and institutional goals
- Provide feedback for quality assurance of academic programs to the top management and HEC
- Help the academic departments in preparing academic programs for review by discipline councils

**VISION**

The Quality Enhancement Cell is responsible for promoting public confidence that the quality and standards of the award of degrees are enhanced and safeguarded.

99% Score in HEC Rating 2013 - 2017 consecutively

Entry/Exit Surveys to get student feedback

Contribution in APQN Conferences held in Thailand, Cambodia, Vietnam, China, Fiji and Russia

2 INQAAHE Conferences/Forums held in Bahrain & Mauritius

Riphah’s Director QEC Gets Elected as Board Director of INQAAHE Through GLOBAL VOTING in 2018
ACHIEVEMENTS
CREATE, ENHANCE AND SUSTAIN

• Quality Enhancement Cell, trained faculties on preparation of self-assessment reports, finalized SARs of all the programs of the university and submitted to HEC well before target dates.

• Attended all the quality related seminars, workshops and conferences arranged by HEC or other agencies in the country.

• Arranged seminars/workshops within Riphah International University by inviting resource persons of the national repute to impart training to the program team members and ISO representatives.

• Conducted surveys to know the student’s satisfaction level regarding courses being taught and the methodology of teaching.

• Developed documents with a view to achieve International Certification for the University, against ISO 9001: 2008 QMS Standard and earned ISO Certification for the university on 18 Oct, 2012 from M/S Lloyd’s Register UK. Riphah has been Re-certified on New Standard of ISO Quality Management System i.e. ISO 9001:2015 with effect from 5th Oct, 2018 by M/S Lloyd’s Register, UK.

• Secured first position amongst all the ‘W’ category private sector universities, in HEC rating, announced by HEC on 15th March, 2012. Earned 98.5% score, in HEC rating, 2013 and 99% score, in HEC rating 2014, 2015 and 2016 consecutively.

• Riphah achieved 2016 APQN’s Best/Model Internal QA Award at APQN platform on 26th May 2016 in Natadola, Fiji Islands.

• Riphah’s Director QEC Gets Elected as Board Director of INQAAHE Through GLOBAL VOTING in 2018

• QEC conducted Self Institutional Performance Evaluation (IPE) of the University and PhD Programs Self-Review in Apr, 2018.
RIPHAH ACADEMY OF RESEARCH AND EDUCATION (RARE)

Riphah Academy of Research and Education (RARE) plays a key role for quality assurance by enhancing valuable awareness of educational system, encouraging innovative approaches and adopting best practices for development of course design and delivery in research and education according to global standards. It oversees research and development activities for faculty, impacts knowledge including practical skills, methods and techniques and develops the quality assurance framework for Riphah, by ensuring that teaching design and delivery comply with the quality standards regulations. RARE accords prime importance to explore opportunities of linkages with international institutions of repute.

Through its Steering committee and other sub-committees RARE has been facilitating effectively and efficiently towards planning, implementation and execution of educational and research development programs for all faculties at Riphah.

Educational Development

The department conducts various workshops, courses and training sessions for capacity building of Riphah faculty in core areas of curriculum planning, teaching and learning, assessment strategies and research. All faculty members are offered various learning opportunities to enhance their communication and research development skills. Moreover, RARE ensures the capacity building of postgraduate students and junior faculty for the use of Moellim, IVIMED and other software support systems.

One of the major responsibility of department is to provide support to various faculties for dissemination of research output through active participation in international and national conferences, workshops and seminars.

International Conference on Medical Education

RARE periodically organizes the leading conference in the field of medical education known as "International Conference on Medical Education (ICME)". The first conference was held in 2009 in Pakistan which resulted in recognition of Health Profession Education as a specialty in Medical Sciences and the compulsory establishment of Department of Medical Education in all medical colleges. Encouraged by the response ICME was then organized in other countries undergoing or planning for reforms in Health Profession Education. ICME has so far been organized biennially in Abu Dhabi, Mauritius and Istanbul (Turkey). Moreover, Joint Conference with Ottawa 2018 is successfully organized in Abu Dhabi second time.

Certificate in Health Professions Education (CHPE)

Riphah Academy of Research & Education (RARE) took initiative and started Certificate Course in Health Professions Education under the leadership of Prof. Dr. Rahila Yasmeen, Director MHPE Program / Associate Director Education - RARE.

Since March 2017, 02 batches of CHPE have been completed the certificate course. In CHPE 2017, 40 students were awarded certificates, while in CHPE 2018, 32 students have successfully completed their course. These students were from different universities / medical colleges of Pakistan.

269 Research Papers Published from 2018-19 out of which

176 were in Impact Factor Journals

93 were in Non-Impact Factor Journals
OFFICE OF RESEARCH, INNOVATION AND COMMERCIALIZATION (ORIC)

The Office of Research, Innovation and Commercialization (ORIC) is assigned to facilitate and support all research activities for all the faculties at the university through award of travel grants, paper presentation at national and international conferences, writing of research articles and award of honoraria and other incentives. It encourages faculty members and graduate students to conduct research. Moreover, the department offers grant seed-money funds for young researchers and faculty members. It assists in obtaining research and travel funds from external sources. As part of its research development program the department facilitates and supports the activities for publication research journals at Riphah International University.

307 Research Publications have been published in 2017 & 18, out of which 230 were in impact factor journals.

In 2017-18, Riphah through ORIC has awarded 42 research grants amounting 2 million to different faculty faculties. 14 research grants have also been won by different faculty members from extramural funding agencies like HEC, Ministry of IT & Telecom and NESCom etc. 40 NRPU projects of Riphah are also under process at HEC.

During 2017-18, ORIC Riphah has awarded 61 travel grants to its faculty members to present their research papers in different national and international conferences. ORIC facilitated faculty members in winning 25 international travel grants to present research papers in 2017-18. ORIC Riphah has awarded 7 million as honorarium to faculty members for their impact factor publications.

04 patents were filed at IPO Pakistan in 2017-18 and are currently in registration process.

Technology and Innovation Support Center (TISC)
ORIC has established Technology and Innovation Support Center (TISC) at Riphah to provide access to patent and non-patent databases, services on patent search & analysis and training on access & use of patent information to Riphah Faculty. In the first phase 23 universities including Riphah have been selected for TISC establishment. Riphah is among ONE of the four big universities (NUST, COMSAT, IST) selected for TISC from Capital Territory.

INSPIRING INNOVATION AND DISCOVERY

RCIB’s Journal of Islamic Business and Management (JIBM)
Riphah Centre of Islamic Business (RCIB), Riphah International University (RIU), has taken a step forward to provide a platform for research and publication on Islamic Business and Management in the name of the Journal of Islamic Business and Management (JIBM). ISSN: 2075-6291

Journal of Islamic International Medical College (JIIMC)
The Journal of Islamic International Medical College (JIIMC) is an official journal of Islamic International Medical College (IIMC), Riphah International University Islamabad. This is a peer reviewed journal, published quarterly and follows the uniform requirements for manuscripts submitted to Biomedical journals. The journal is recognized by Pakistan Medical & Dental Council (PMDC) and Higher Education Commission (HEC). It is updated on www.icmje.org. ISSN (Print): 1815-4018, ISSN (Online): 2410-5422

Journal of Riphah College of Rehabilitation Sciences (JRCRS)
The Journal of Riphah College of Rehabilitation Sciences (JRCRS) is an official journal of Riphah College of Rehabilitation Science (RCRS), Riphah International University, Islamabad. This is a peer reviewed journal, published biannually and follows the uniform requirements for manuscripts submitted to Biomedical journals. It is indexed with PakMediNet and PASTIC inventory “Directory of Scientific Periodicals of Pakistan”- Pakistan Science Abstracts (PSA). ISSN (Print): 2226-9215
As a center of information for Riphah community, the Department shares its aspiration to provide the most dynamic learning and research environment to the users. Eleven libraries and one learning resource center is engaged to serve the Riphah community under this department.

ISD faculty members are engaged in teaching students in their formal class rooms through Information literacy program, group discussions, seminars and one on one coaching. Tutorials of Referencing with various tools and techniques are also conducted for MS/Mphil & PhD students to develop skills for their ongoing research.

Libraries

1. Main Campus Library (Zulfiqar Library), I-14, Islamabad
2. Al-Mizan Campus Library, Old Supreme Court Building, Peshawar Road, Rawalpindi
3. City Campus Library, G-7/4, Islamabad
4. City Campus II Library, Evacuee Trust building Islamabad
5. Railway Hospital Library, Rawalpindi
6. Female Campus Library, H-8, Islamabad
7. Lahore Quaid-e-Azam Campus Library, Lahore
8. Lahore Township Campus Library, Lahore
9. Lahore Raiwind Campus Library, Lahore

All Journals @ One Place

ISD has developed a mechanism for users to cater for their research needs through this unique project by providing access to thousands of journals through information portal at one place to save their time.

Riphah Research Repository

Research Repository is the part of organizational knowledge management containing electronic copies of research output including published and unpublished research works e.g. journal papers, conference papers and students’ thesis etc.

Aaj Ki Baat

It is a unique project which provides date wise information in accordance with its religious & historical relevance. Contents of the information may include brief introduction, relevant Quranic Verses/ Ahadith, Quotes, Poetry, Documentaries, Pictures, Maps and Important books. Display format may include video, Audio, Standee, Banner, Report and Email. Platform may include LEDs, Facebook, Twitter, Google, Linkedin, Email groups, Blogs, Info centers, Soft boards, Screen saver and Websites. Presently, the text of Qur’anic verses and Ahadith with graphic presentation is being displayed on information points to convey specific message to the viewers which supplements the University mission statement. The information is aimed to be broadcast through ITV and information points at all campuses of the university.

Riphah Course Guides

Subject & Library Guides

We share knowledge, analyze services and connect with users to make them lifelong learners. We partner with faculty and researchers to enhance the library experience. Seven hundred & fifty-one (751) guides have been developed according to the course outlines. The guides provide information in respect of available resources to promote students’ learning. Main focus of the guides is to provide single access point to meet academic needs of faculty and students. It is a platform developed & launched recently by our Information Advisors to facilitate & help out Riphah community in their curriculum. All information relevant to the courses offered by the University is compacted in one window.

Salient Features of ISD Systems

- Responsive - Self Guided, Easy to Use
- Single Sign On
- Access from Home
- Universal Access
- Discovery
- All Journals @ One Place
- Subject Guides
- Learning Guides & FAQs
- Organizational Knowledge Management
- Live Chat with Information Advisors

Riphah Learning Guides

If you face any problem in locating or handling of information, accessing online databases and online resources, Riphah Learning Guides is the right place to find answers with step by step easy to use video clips and to get support/help. It covers
- Interacting with systems
- Communicating with technology
- Visual solutions

Query Management System

For any type of question, any difficulty in research, course contents etc., you can communicate with us through “Query Management System”. We are committed to respond promptly.

Information Literacy Enhancement Program (ILEP)

Information Literacy Enhancement Program (ILEP) contains interactive lectures for orientation & training of Riphah community as per schedule given by the relevant faculty. These lectures help students and faculty to know about resources and facilities available in their discipline and how to use these resources. By this way, we develop study skills, information skills and searching skills to enhance their learning capacity.
Pakistan is a developing country with poor health infrastructure and academic isolation in the higher education sector. Poverty and marginalization are the outcomes of the vicious capitalistic structures, hegemonies by the cartels, infiltrating the ruling mania.

Islamic International medical college trust (IIMCT) is a private sector initiative to contribute towards betterment of the situation in its humble capacity and meager resources.

Riphah Social Welfare department is (RSWD) is the forefront of this endeavor with thousands of beneficiaries and millions of funds and in-kind support to the poor and needy. Moreover, student’s scholarships, hospitals up gradation and patient’s subsidies (full/partial) are some other contributions in this context.

Mission: To ensure the provision of comprehensive, integrated, sustainable social services to help reduce vulnerability and poverty, promote productive voluntarism, and create an enabling environment for social uplift program.

Objectives: The department has the following objectives to achieve it vision/mission.

1. To provide healthcare services to marginalized communities.
2. To provide disaster response, relief and rehabilitation.
3. Liaison with humanitarian organizations.
4. To create awareness regarding healthcare and disaster preparedness.
5. Resource mobilization for sustainable welfare and development.

RSWD organized various free medical camps, community awareness sessions, Seminars/Lectures on social issues in different Schools of Sihala Community and other adjacent areas of Rawalpindi & Islamabad.

RSWD in-collaboration of Pakistan National Heart Association (PANAH), City Traffic Police Rawalpindi & Rescue 1122 organized many awareness lectures & walks on health care, road safety, first aid trainings, BLS activity during 2017-18. A community Awareness Program on social issues also been broadcast from Riphah FM 102.2 platform.

RSWD Free Medical Camps, Community Awareness Sessions & School Health Program

Social Welfare Activities 2107-18

RSWD in-collaboration of Pakistan National Heart Association (PANAH), City Traffic Police Rawalpindi & Rescue 1122 organized many awareness lectures & walks on health care, road safety, first aid trainings, BLS activity during 2017-18. A community Awareness Program on social issues also been broadcast from Riphah FM 102.2 platform.
Earthquake Relief Activities

RSWD actively participated in relief activities during 2005, 2013 and 2015 Earthquakes under its vision & Mission affected areas of Pakistan

- **85 Medical Camps**: 53,000+ patients treated in Allied & Field Hospitals Hattian Bala (AJK) & Attar Shesha (KPK)
- **Distributed Food Packages**: of Rs. 1 million among 100 families
- **Executed Emergency Tent Villages**: for 90+ families at Bagh AJK & Jando near Takht Bai KPK
- **Sent 18 Emergency**: and treated 5,000+ Patients at Balakot (AJK)

RSWD Relief Activities during Floods

Flood in Nalla Lai (Rawalpindi July 2001)

- **Provided free Vaccination** to hundreds of flood victims
- **8 Free Medical Camps**: 2,000+ Patients treated

Floods of 2010 in Pakistan

- **7 Free Medical Camps**: 4,800 patients treated
- **Distributed Medicines**: worth of Rs. 275,000
- **Distributed 200 Food Packages**: worth of Rs. 270,000
- **Reconstructed 42 Homes**: with estimated cost of Rs. 8.25 m
Riphah International University has collaborated with Capital Development Authority to build a state-of-the-art knowledge park at the unsightly roundabout in Sector H-8 of Islamabad. The unique example of public-private partnership will harness the exciting reasons to beautify the environment in order to improve the lives of city dwellers.

Riphah International University contributions towards the community led to the foundation of a knowledge park in H-8 Sector Islamabad. Recent collaboration with Capital Development Authority (CDA) is a great example of academia and development authorities joining hands for the greater good of the masses.

Riphah’s knowledge park is an opportunity for people to experience the serenity of the capital as well as the Institute’s sharing of knowledge based on various social, cultural, religious and other categories displayed via various locations within the confines of the park.

The park was inaugurated by Sheikh Anser Aziz, Chairman CDA, Mayor of Islamabad and Chancellor Riphah Hassan Muhammad Khan on March 31, 2017. The collaboration will represent endorsement of Riphah International University in the beautification of the metropolis.

A ceremony was held at Marriott Hotel Islamabad on 4th May, 2018 to launch the project. Explaining the project, the Executive Director, Islamic International Medical College Trust (IIMCT) Engr. Asadullah Khan said that this project will be a state of the art in healthcare sector and it will deploy modern technologies including modern ventilation, heating and cooling system, modern drain system for natural rain water. Proper use of day light makes it environment friendly and energy efficient project.

An international consortium of architects comprising JRHP, environmental specialists firm VERDOUS, engineering firm RAMBOLL and medical planners Keppie have already been working with Riphah for the design of the project. Executive Director also acknowledged the contribution of Ernst & Young for technical feasibility, Nasir Absar & Co for financial advice and Dubai Islamic Bank Pakistan Limited for financial support in this mega project.
LAUNCHING OF RIPHAH INSTITUTE OF HEALTHCARE IMPROVEMENT & SAFETY (RIHIS)

Riphah International University, launched Riphah Institute of Healthcare Improvement and Patient safety, Pakistan’s 1st of its kind patient safety and quality institute. The institute will offer different international and national certifications, training programs and professional degrees in the patient safety and healthcare improvement. Chancellor Mr. Hassan Muhammad Khan, Vice-Chancellor Prof. Dr. Anis Ahmad, Executive Director IIMCT Mr. Asadullah Khan, Project Director RIHIS Dr. Zakiuddin Ahmad, Principal and Director RIHIS Prof. Dr. Mati-ur-Rahman, Deans, Directors, faculty members, medical professionals and large number of students participated in the inauguration ceremony of the Institute held at Al Mizan Campus Rawalpindi.

INAUGURATION OF CENTER OF EXCELLENCE IN LEADERSHIP, INNOVATION & QUALITY “CLIQ”

RAK College of Dental Sciences, (UAE) and Riphah International University Pakistan hosted Inauguration of Center of Excellence in Leadership, Innovation and Quality (CLIQ).

The vision of the CLIQ is to improve professionals, educationists and practitioners learning in leadership, patient safety and quality management. The mission of CLIQ is to enable professionals and students to achieve their full leadership potential, to improve the professional knowledge & skills and enhance their value to both the UAE and international institutions and companies.

Medical professionals & dignitaries from UAE, Europe, Pakistan gathered together to attend the inauguration of the centre. Honorable guests Prof. Dr. Fadil Çitaku CEO, Academy of Leadership Sciences Switzerland, Dr. Jean Marc Gauer CEO RAK Hospital United Arab Emirates, Dr. Soohyun Jeon Director of Research, Sheikh Saud Bin Saqr Al Qasimi, Dr. Jeong Hee Lee, Quality and Innovation Director Sheikh Khalifa Specialty Hospital RAK, Mr. Hussan Muhammad Khan, Chancellor, Riphah International University, Pakistan along with important personalities from Medical Education Arena were among those who attended the ceremony.

RIPHAH UNIVERSITY TO OPEN MEDICAL COLLEGE IN KYRGYZSTAN

Riphah International University in collaboration with International School of Medicine Kyrgyzstan has planned to launch medical college in Bishkek, the capital city of Kyrgyzstan.

Chairman Parliamentary Body of Health Education & Social Welfare Kyrgyzstan Ismailo Aadia visited Riphah International University Islamabad.

The purpose of the visit was to have an orientation of the medical education and facilities offered at Riphah International University Islamabad.

Both organizations have already signed an MoU to initiate the project of medical education in Kyrgyzstan.

Executive Director IIMCT Mr. Asadullah Khan said that the collaboration between both organizations is hallmark of agreements of enhancing bilateral trade and cultural relations by the governments of both countries.
Riphah International University is one of the pioneers in commencing reforms in Medical Education. The aim of ICME conference is to establish a forum for sharing the experiences in healthcare profession education and by bringing together the individuals and organizations both from developed and developing countries.

Fifth ICME 2018

Riphah International University Pakistan and RAK College of Dental Sciences (RAKCODS), Ras al Khaimah jointly organized International Conference on Medical Education and Ottawa Conference (OTTAWA ICME 2018), at Abu Dhabi, UAE from 10th-14th March, 2018 with the partnership of renowned institutions of UAE including UAE University, Gulf Medical University and RAK Medical & Health Sciences University. The event was orchestrated with the support of Abu Dhabi Convention Bureau, Emirates Nursing Association, University of Sharjah and Centre of Excellence in Leadership and Quality (CLIQ) at RAKCODS, UAE. The event was endorsed by Ministry of Health and Prevention, United Arab Emirates. This was the 18th Ottawa Conference and 5th International Conference on Medical Education (ICME 2018).

Sheikh Nahayan Mabarak Al Nahayan, Cabinet Member, Minister of Culture and Knowledge Development was the chief guest at the inaugural session held at Abu Dhabi National Exhibition Center (ADNEC), Abu Dhabi, UAE.

The event was the largest ever gathering in United Arab Emirates in the field of Medical Education. Over 1000 foreign delegates from more than 56 countries spanning from New Zealand in the East to Argentina in the West and Canada in the North to South Africa in the south conducted a record 225 educational sessions, lectures and presentations by over 500 speakers, ranging from courses, workshops, symposia, expert discussions and plenary sessions. Almost all GCC countries actively participated in the conference.

Mr. Hassan Muhammad Khan, Chancellor, Riphah International University and Founder of ICME, said on the occasion, “I am delighted to see that our efforts to establish a credible platform for interaction between world leading medical educationists and those from
countries on the path of introducing reforms in medical education in the region, has resulted in such a prestigious gathering of world leading experts in the wonderful City of Abu Dhabi.

An exhibition held at the joint conference also played a pivotal role in bringing all the related industries together with some of the most important & influential decision-makers in the region. The program was comprised of two days of pre-conference courses, workshops and two and a half days of oral and poster presentations.

30 pre-conference workshops and 4 courses including famous FAME and ESME course were held on the first two days of the conference. The joint conference was enriched with 15 keynote speakers, of whom four are winners of the most prestigious Kerolinska Prize on Research in Medical Education. The mammoth event comprised of 4 plenary sessions, 10 symposia, 6 ‘what the experts say’ sessions and over 60 sessions of oral presentations, conference workshops and poster presentations. The conference had 29 CME credit hours from EACCME - European Accreditation Council on CME marking this as the largest ever medical education conference to take place in the region.

• Sixth ICME will be held from 19-22 October 2019 at Pak-China Centre, Islamabad, Pakistan.

• First ICME 2009, organized by Riphah International University, was held in Islamabad.
• Second ICME 2010 was held in Abu Dhabi
• Third ICME 2013 was held in Mauritius.
• Fourth ICME 2015 was held in Istanbul, Turkey.
• Fifth ICME was held in Abu Dhabi
Riphah International University Islamabad Jointly Organizes 5Th International Water Conference - 2019 With University of Haripur

5th IWC was follow up of earlier four conferences held in; 2017, 2016, 2015 and 2014 on the subject. More than 43 research papers were presented and provided a unique opportunity to bring together leading academicians, scientists, engineers, researchers, policy makers, practitioners, scholars, and water stakeholders to exchange and share their expertise and experiences for the sustainable water resources management.

The conference adopted a number of recommendations to resolved the problems being face by the country due to shortage of water. It was observed that Pakistan’s economy is a ‘water economy’ with 60 percent of the population directly engaged in agriculture and livestock and 80 percent of Pakistan’s exports based on these sectors. Approximately 95 percent of surface water and almost all fresh ground water in Pakistan are currently used in agriculture. Therefore, Pakistan needs a long term plan for its water requirements and the federal government should take the lead in defining the long term roadmap up to 2050 in a climate-challenged world. Pakistan’s Vision 2025 aims to increase water storage capacity, improve efficiency in agriculture by 20 percent and ensure safe drinking water to all Pakistanis. It speaks of water security goals that include technologies to minimize wastage, more effective allocations, establishment of institutional mechanisms and a minimum baseline for suitable water to every person in Pakistan. With a growing population, Pakistan is a water-scarce country now, and with water security goals in its vision statements, Pakistan needs to work in smarter, less water-intensive ways. These recommendations for a policy framework have been developed to achieve national goals for requisite actions.

The 3rd International Conference on recent innovations in pharmaceutical sciences ICRIPS 2019 organized by Faculty of Pharmaceutical Sciences held at Margalla Hotel, Islamabad. The inauguration session was started with the recitation of Holy Quran.

The ceremony was honored by the presence of chief guest Prof. Dr. Muhammad Ali, Vice Chancellor, Quaid-i-Azam University, Islamabad, guest of honor Prof. Dr. Ghulam Raza Bhatti, Member operations and planning, HEC, Islamabad and Chancellor Riphah International University, Mr. Hassan Muhammad Khan.

While addressing, Prof. Dr. Muhammad Ali emphasized on research output in country whereas Prof. Dr. Ghulam Raza Bhatti talked about HEC policies regarding research and liaison with research institutes. The chancellor RIU, Mr. Hassan Muhammad Khan emphasized on applied research with specific focus to decrease the disease burden of our country.

There were 33 oral presentations including international and national speakers and 52 posters presenters comprising of both graduates and undergraduate students from different universities around the country. Three workshops on Pharmacogenomics, Bioinformatics and Pharmacy practice were held on first and second days. The oral talks covered majority of the sections and topics related to pharmaceutical innovation and research, namely, drug discovery and development, emerging trends in nano medicine, natural products and pharmaceutical analysis.

The poster competition winners were also awarded with certificates and cash prizes.
3rd International Conference on Patient Safety

3rd International Conference on Patient Safety 2018, was organized by Riphah Institute of Healthcare Improvement & Safety (RIHIS), in collaboration with CMH Lahore Medical College and School of Dentistry, Lahore. The theme of the conference was “From Knowledge To Improvement”. It adopted Lahore declaration calling for giving high priority to the “Patient Safety” as per constitution of Islamic Republic of Pakistan and International health & Patient safety standards.

The Conference was inaugurated by Dr. Nausheen Hamid - Federal Parliamentary Secretary, National Health Services. She said that Federal Government will help provinces in improving the health facilities. She added that Federal institutions, along with the provincial governments helping in providing better health facilities.

The International Conference was attended by the national and international experts from United States, Turkey, Malaysia, Australia and many other parts of the world as well as heads and chiefs of various regulatory bodies, government functionaries, medical directors of country’s leading hospitals, pharmaceutical sector representatives, academicians, doctors and paramedics.

2nd International Conference on Rehabilitation Sciences

2nd International Conference on Rehabilitation Sciences organized by Riphah College of Rehabilitation Sciences (RCRS), a constituent institute of Riphah International University, Islamabad. The theme of conference was “Challenges in specialized & autonomous practice in rehabilitation Sciences”. Executive Director Higher Education Commission, Dr. Arshad Ali was the chief Guest of the closing ceremony of the conference. In this mega event Riphah Faisalabad campus, Margalla Institute of Health Sciences, Helping Hand Institute of Rehabilitation Sciences, Rehman Institute of Rehab Sciences, NCS university system, Shifa Tameer-e-Millat University and the Physio Multan participated and placed their Stalls for information.

The key note speakers from across the world included Professor Cornelia Kulig from the University of Southern California USA, Professor Jenifer Keating, from Monash University Australia, Professor Denise Taylor, Dr. Nada Signal, Dr. Imran Niazi from Auckland University of technology, Associate Professor Shane Patman from the University of Notre Dame Australia, Patricia MacLoughlin from St Patrick Hospital Ireland, Professor Ulrika Löfkvist from the University of Oslo, Sweden. Along with the international key-note speakers 12 national experts delivered their speeches on the key issues and aspects of the rehabilitation profession in the local and global perspectives.

20 workshops were held on various topics of professional interest of rehab and 76 scientific research papers presented by rehab professionals form different public and private sector universities during the conference.
RAKCODS Organized Symposium on Medical Education

RAK College of Dental Sciences (RAKCODS), United Arab Emirates (UAE) of Riphah International University in collaboration with RAK Medical and Health Sciences University (RAKMHSU) and Centre of Excellence in Leadership, Innovation and Quality (CLIQ) organized a one day symposium featuring the challenges in the field of “Medical Education in 21st century” at RAKMHSU auditorium. Renowned names in Medical Education joined as key note speakers from different parts of the world which includes Dr. Paul Barach from USA, Prof. Mairi Scott from Dundee, Prof Fadil Citaku and Dr. Stephanie Hering from Switzerland and Prof Hossam Hamdi from UAE.

Prof. Dr. Yawar Hayat Khan (Director CLIQ) coordinated the symposium. 200 delegates including professionals, leading educationists, medical practitioners, technicians, nurses, pharmacists, and students belonging to different hospitals and universities across UAE participated in the symposium. Key officials from the UAE Ministry of Health were also present on the occasion.

Dr. Yasser Easa Alnuaimi (Vice Chairman, Board of Governors, RAKMHSU) was the Chief Guest of the event.

Minister of railways visits Islamic International Medical College Trust - Pakistan Railway General Hospital

Federal Minister for Railways, Sheikh Rasheed Ahmad on December 05, 2018 visited Islamic International Medical College Trust (IIMCT)-Pakistan Railway General Hospital Rawalpindi. He was warmly welcomed by the Executive Director IIMCT, Engr. Asadullah Khan, along with Principal IIMC Lt. Gen. (R) Dr. Azhar Rashid, Chief MS IIMCT-PRH Brig (Retd) Shahid Sultan Khan, Director Operations Col (R) Saifullah Khan, senior Railway management and clinical HoDs. A child currently under treatment in the hospital presented bouquet to the Honorable Minister. Chief MS IIMCT-PRH briefed the Minister about IIMCT-PRH performance, developments undertaken so far and future plans.

The Minister appreciated the role of IIMCT in the development of the Railway hospital and achieving high standards for the benefit of Railway employees as well as general public. He desired that further expansion of the facility be done to help the patients. He also showed keen interest in handing over other projects of Railways to IIMCT on Public Private Partnership basis. After the presentation the Minister inaugurated the newly renovated Operation Theatres and appreciated the quality of work done by IIMCT-PRH Management. As part of clean and green Pakistan movement, the Minister planted an araucaria tree. It is a unique collaboration of private-public sector partnership in health sector. Under this collaboration, IIMCT has been given full control of Railways Hospital Rawalpindi. IIMCT provided faculty, staff and high tech equipment to transform this hospital into 350 beds teaching hospital. All major departments i.e. Medicine, Surgery, Gynecology & Obstetrics, Pediatrics and Anesthesia are recognized for FCPS training by College of Physicians and Surgeons Pakistan.

Seminar on Us-India Ties and Its Implications on Kashmir at Riphah Institute of Public Policy

Riphah Institute of Public Policy organized a seminar on “Emerging Scenarios in India-US Strategic Ties: Implications for Kashmir”. The seminar was addressed by Ambassador (R) Sarwar Naqvi, Dr. M.Khan IUI, Dr. Waqas, HoD, NUML, Ershad Ahmad CPDR, Iftal Wani HC, Shahraiz Khan, D.G Foreign Office, Awais Wasti RIPHAH and Dr. Rashid Aftab, Director, Public Policy, Riphah University.

During the Seminar, it was highlighted that the current US South Asian Policy required a thorough understanding of the US relations with India and Afghanistan and its impact on Pakistan. The new paradigm of US-India relationship and US recent stance on Kashmir with respect to Independence Movement and other dynamics require an in-depth analysis of the situation as well as a futuristic approach to address this regional conflict which has an international obligation on the part of world community. Dr. Rashid Aftab said the Indian narrative against Pakistan holds no truth. Pakistan has successfully managed to defeat the terrorists. The event was largely attended by international relations experts, representatives from policy centers, academicians & civil society members.
13th Convocation of Riphah International University was held on December 04, 2018 at Jinnah Convention Centre in Islamabad.

The Chancellor Riphah International University Mr. Hassan Muhammad Khan presided over the convocation. Speaking on the occasion he congratulated the students for stepping into practical life after a successful academic career. He reminded the students that acquisition of knowledge doesn’t end with the obtaining of a degree. It is a continuous process and with their hard work they should be able to coup with the new challenges in their practical life.

He said, Riphah International University after establishment started about 100 undergraduate, graduate & postgraduate programs of studies in almost all disciplines in a short span of 17 years. It is also a matter of pride for all of us that the university has been judged as the second best university among all private medical universities in the country by HEC. It has been placed at 12th position among one hundred eighty five Private universities in general category. He congratulated the leadership, faculty and management of the University for achieving its target and hope they will continue efforts to maintain this position.

He paid tributes to the founder chancellor of Riphah International University late Maj. Gen. (R) Muhammad Zulfiqar Ali Khan TI (M), and said all the success has been achieved due to his vision.

Earlier, Vice Chancellor Riphah International University, Prof. Dr. Anis Ahmad, in his address, highlighted the University’s achievements since its inception. The latest of these achievements is the recognition of Universities’ ISO Certification (ISO 9001:2015), and University’s engineering program at International level under the Washington Accord. He said Riphah International University has also achieved landmark success obtaining APQN Quality Assurance Award for maintaining high standards of education and disciplines.

The University is also taking steps for the welfare of the less privileged people in various fields through financial assistance and healthcare facilities. During the 2017-18 it held 48 free medical camps at various places where more than 17000 needy people were provided free treatment and medicines. In addition to this, the welfare department of the university constructed 20 wells of drinking water in Tharparker district of Sindh.

More than 1200 graduates and post graduates and PhD students of the university were awarded degrees at the convocation. They belonged to various faculties including Faculty of Health and Medical Sciences, Pharmaceutical Sciences, Management Sciences, Engineering and Applied Sciences, Computing, Social Sciences and Humanities, Basic Sciences, Media Sciences, Systems Engineering and Public Policy. 29 Zulfiqar Gold Medals and 64 Chancellor Gold Medals were awarded to the graduates and post graduates for obtaining top positions in the examinations and securing distinction for their best performance in the academic field in various disciplines.
Why Riphah?

**Mission**
Our Mission is to focus on character building of students through Inculcation of Islamic ethical values.

**Ranking**
Ranked 2nd by HEC in private sector universities in general category.

**Quality**
Riphah Achieved APQN’s Best/ Model Internal QA Award for 2019.
ISO 9001:2015 Certified

**Integrated Modular System**
IIMC takes pride in selection by Pakistan Medical & Dental Council (PM&DC) for implementing integrated curriculum in MBBS program.

**Riphah WISH Campus**
Only University with female only campus in private sector.

**Scholarships**
Awarded 256 Million Rupees on account of Talent and Need Based Scholarships in 2018-19.

**International Accreditation**
Our B.Sc. Electrical & Biomedical Engineering program has been accredited by Pakistan Engineering Council (PEC) under outcome Based education (Washington Accord).
Teaching Hospitals
4 Teaching Hospitals are affiliated with our Medical & Dental College i.e. Pakistan Railways Hospital, 350 beds. Riphah International Hospital, 150 beds. Islamic International Dental Hospital, 118 Dental Chairs. Hearts International Hospital, 105 beds.

New Campus at Gulberg Greens
Building a 600 Beds Hospital & State of the art Campus at Gulberg Greens Islamabad.

RCVETS
First and only private sector veterinary college

RIPHAH FM 102.2
Riphah International university has its own FM Radio Station, which is licenced by the Pakistan Electronic Media Regulatory Authority (PEMRA), Government of Pakistan. Riphah FM Radio is the member of educational broadcaster forum, Pakistan.

Evening & Weekend Programs
Specially designed Evening & Weekend Graduate & Postgraduate Programs for working Professionals

NCUK Riphah
We are the only university in Pakistan which meets the NCUK academic quality standards as their delivery center.

Doctor of Physical Therapy (DPT)
1st in South Asia to be accredited by WCPT
Pioneer in Doctor of Pharmacy Program
Only University in North region of Pakistan to offer Undergraduate degree program in Biomedical Engineering

RISE
Riphah Institute of System Engineering, delivering Top five Information Security certification tracks to the corporate sector in Pakistan
Campus Facilities  
Support Along the Way

IT & Computer Services

IT and Computer Services department provides wide range of technical facilities and services in order to ensure Riphah’s mission of imparting high quality education. Apart from the core IT systems, tools and services that are required for the daily operations, the department focuses to provide innovative services and projects to support teaching, learning and research and development.

The department provides high speed internet connectivity, latest desktop and laptops, multimedia and other equipment. The University is using 30MB fiber-optic internet connectivity through the HEC’s PERN project. This facility is providing state-of-the-art communication infrastructure to meet the requirement of the networking and internet. This facilitates audio/video conferencing and access to the digital library and university information portal.

A structured program for using computers in the field of medical education namely “Computer Assisted Learning Program” is also introduced to enhance the computing skills of the students. Top of the line Campus Management and Learning Management Systems have also been installed to ensure quick and online academic services to all the users.

Wi-Fi Enabled Campuses

All the campuses and hostels are linked through fiber-optic and alongside Wi-Fi internet access is also available at several locations.

Campus Management System (CMS) and Virtual Learning Environment (VLE)

The university believes and is gradually moving toward the paper-less environment. Therefore, a top of the line Campus Management and Learning Management System have been installed to ensure quick and online academic services to all the stakeholders. Through these systems, the lectures, class activities and teaching materials are made available on VLE. Assignments and quizzes, marks and results are uploaded on the CMS. It also carries students’ bio-data and the attendance record.

Classrooms & Auditoriums

The classrooms and auditoriums are fully furnished and are equipped with audio/video aids for better modern learning environment.

Cafeteria

Cafeteria services are available at the center of all campuses where students can enjoy meals and have social interaction during university timings. Meals, snacks and drinks are available at the cafeterias on subsidized rates with focus on quality and hygiene.

Hostels

The male and female students are hosted in separate hostels. The hostel facility is available within campus for the female students. It has capacity to host 300 students. Congenial atmosphere and regular guidance is provided to the students to adhere to the Islamic values while residing in Riphah hostels. Access to the hostel is through a single entry point, which is manned around the clock by dedicated security staff. Hostel rooms (with two, three or four beds) are airconditioned and provided with the single beds and mattresses. The students needing hostel accommodation have to apply at the time of admission on the prescribed form.
Transport

University provides transport services separately for male and female students of the hostels in all campuses of Islamabad/Rawalpindi, Lahore and Faisalabad. Students are also provided with the inter-campus and campus to teaching hospitals transport services. Transport to cater any emergency needs is also available round the clock. The University has outsourced the transport service for day scholars which operates between the campuses and on the prescribed routes.

University Bookshops

Bookshops are located in all the constituent campuses of the university to ensure availability of textbooks, learning materials, photocopy services, and stationary items besides secretarial facility for both the students and faculty/staff.

Lectures, Workshops & Seminars

To benefit from real life experiences of renowned national and international scholars, scientists, doctors, engineers, managers, leaders and artists, the university and its academic departments organize lectures, workshops and seminars to inspire the students. In this way the students can easily interact with the professionals and get insights about the industrial practices on the specific areas.

RIPHAH FM 102.2

Riphah International university has its own FM Radio Station, which is licenced by the Pakistan Electronic Media Regulatory Authority (PEMRA), Government of Pakistan. Riphah FM Radio is the member of educational broadcaster forum, Pakistan. Riphah FM Radio allows all the students of university to produce public service program and health care, education, technology, and social and cultural issue.

Student Counseling and Mentoring

The University provides students with advisement, counseling and mentoring services in their academic, social, emotional, and behavioral matters. Student advisors assist students in building their productive work habits and achieving behavioral and academic targets and planning in career exploration. The mentors and advisors work with the students on a regular basis.

Security

All campuses are well guarded by fool-proof round the clock security services through active security guards, fenced boundary walls and CCTV cameras to ensure safe environment for students, faculty, staff and other visitors.
Students Co-Curricular & Extra-Curricular Activities

To promote goodwill, brotherhood, tolerism and creativity among students, Riphah International University provide many opportunities by organizing events, seminars, talk shows, awareness walks, quiz, debate competitions and many other co-curricular & extra-curricular activities each year.

Inter-Faculty Sports Competition 2018

Student Services Department organized Inter-faculty Sports Competition 2018 from 23rd February to 17th March 2018. The three weeks competitions included cricket, football, badminton, table tennis, swimming, racing, judo, netball, volleyball, basketball, and hiking.

The inaugural and flag march past ceremony with sportsman oath of the competition was held at Riphah I-14 and WISH female campuses separately for boys and girls respectively. More than 350 players competed in different sports competitions. The enthusiasm, energy, and skills exhibited by all the young players was extraordinary during the opening ceremony. Speaking on the occasion, Deputy Vice-Chancellor Dr. Anwar Ul Haq said that Riphah International University focused on organizing healthy activities for students. He appreciated the efforts of student services department for organizing such competitions as it provided a platform to the students to show their potential. He expressed the hope that our youth would play an important role to highlight the positive image of the country through sports. Manager Student Services Department Mr. Zubair Safdar presented the sports schedule and appreciated the student involvement in the sports competition. He also thanked all Deans, Directors, and Heads of Departments who participated in the inaugural ceremony.

Re-Creational Activities

Riphah International University motivates its students to indulge in extracurricular and co-curricular activities with purpose of maintaining mental and physical fitness. Having formal relationships with forums and clubs of Horse Riding, Mountaineering, Polo, White Water Rafting, Trekking and Rock Climbing, gives the students the opportunity to select the activities in accordance to their interest.
The Soul Ignition,
Mission: Rawalakot

Great flock, soul-soothing flight and inspiring moments...
Annual Award Ceremony, 2019 of Islamic International Medical College (IIMC)

Islamic International Medical College, a constituent institute of Riphah International University, Islamabad organized its Annual Award Ceremony in March, 2019 at Al-Mizan Campus, Peshawar Road, Rawalpindi. The event was organized by the Talent Exhibition Society of Islamic International Medical College.

Mr. Hassan Muhammad Khan, awarded medals and certificates to position holders of the year 2018. Best class (late Maj. Gen. (R) Muhammad Zulfiqar Ali Khan Chancellor Trophy) MBBS Session-2017 and best disciplined class (Sanaullah Trophy) was awarded to MBBS Session-2014. He congratulated all the position holders and appreciated the efforts of the students who organized the event. During the event students presented different fillers like funny Khabarnama, funny Qawwali and beautiful skit which were highly appreciated and enjoyed by the audience.

Engineering Open House and Job Fair 2019

Riphah International University’s Faculty of Engineering and Applied Sciences (FEAS), organized an Engineering Open House and Job Fair. Ms. Zartaj Gul Wazir, Minister of State for Climate Change, Islamic Republic of Pakistan, graced the event with her presence as Chief Guest. Engineering Open House Day connects directly with prospective and enrolled students to inspire and motivate them towards exploring careers in engineering and technology. It also equips and encourages parents to support their children in fostering such ambitions. To inspire a new generation of engineering and technology enthusiasts. By highlighting the important role that engineers play in everyday life, and the creativity and diversity of work in this sector.

Ms. Zartaj Gul Wazir was received by Engr. Asadullah Khan, (Executive Director), Prof. Dr. Jameel Ahmed (Dean FEAS), Col (R) Muhammad Anwar (Principal IIEC), Dr. Sohail Khalid (HoD-EE) and Dr. Muhammad Shafique (HoD-BME). The chief guest inaugurated the event at ribbon cutting ceremony. The event was highly appreciated by the chief guest. She also applauded the mission and vision of Riphah International University.

Industrial personnel’s and professors from various reputed universities were present as jury members. The event showcased overall 27 final year projects completed by students of Electrical and Biomedical Engineering programs. The jury evaluated the projects and awarded six best projects with shields and gifts.
Awareness Seminars

SSD organized different awareness seminars/session at different campuses on family issues, national and international issues, students related issues to address the subject matter in speculative aspect like;

- Defense Day Seminar
- Training Session on Marriage and Married Life
- Serate Mustafa Lecture Series
- Fund Collection and Seminar for Rohingya Muslims
- Interactive session with Rohingya Muslims Delegation
- International Seminar on Rohingya Muslims
- Weekly Tazkeer Sessions on Islamic Ideology

Community Projects

University organized good number of community projects to engage students in different volunteer activities to motivate the students to take part for community welfare projects, like:

- Community Program Hand Wash
- Plantation Campaign
- Mall of Humanity- Community Clothing Project
- Blood Donation Campaign

Riphah Student Societies

Different student societies have been established under the supervision of Student Services Department to conduct these activities which includes:

- Riphah Society for Excellence
- Riphah Adventure Club
- Riphah Sports Society
- Riphah Art and Literary Society
- Riphah Blood Donor Society
- Riphah Ansar
- Riphah Alfalah
- Riphah Imandar
- Riphah Peace ford
- Riphah Intellectual

Riphah Society of Excellence – RSE

Vice Chancellor is Patron in Chief of RSE. This society is established to organize the activities to full fill the Riphah Mission Statement outside the class rooms. RSE is university level society and operating in all faculties organizing sports, lecture, trainings, study tours, debates, blood donation and professional programs.

Student Societies at Faculty Level

IIMC:

- IISSWA (Social Welfare activities)
- Peace fort (Islamic Society)
- Sports Society (Sports activities)
- Literary & Debate Society (promoting healthy debate culture)
- Art & Craft Society (Development of creative talent)
- Scientific Society (Research on Advance Medical Science)

FMS:

- Literary & Debate Society (promoting healthy debate culture)
- Adventure Club (Recreational Tours)

FEAS:

- Engineering Society (Research on Professional Engineering)
- Debate Society (promoting healthy debate culture)

RIPS:

- Social and Cultural society (Development of creative talent)
- Sports and recreation society (Sports activities)
- Literary society (promoting healthy literacy culture)
- Thinkers Club (Discussion forum)
- Riphah Al-Falah Society (Social Welfare Activities)

FR&AHS:

- (Girls only) Riphah Society of Excellence (Official)
- Riphah Social Welfare & Blood Donor Society (Social Welfare Activities)
- Riphah Debating, art & Craft Society (promoting cultural activities)
- Riphah Sports & Recreation Society (Sports activities)
Campus Life Activities

The Student services department serves as a liaison between students, faculty and administration. The important function of Student Services department is to enhance the quality of student life both in and outside of the classroom. It provides forums for cultivation of literary and artistic potentialities, addressing their needs related to co-curricular & extracurricular activities and furnishes them healthy outlets in sports and games, which make their stay on campus, a rich experience of multi-dimensional growth.

Student Day

Student Day organized at each campus comprises of different competitions like Food stalls, art gallery, solo stage performance and motivational lectures. This activity was organized to welcome the new enrolled students by seniors and to enjoy the day with creative ideas with different competitions.

巴基斯坦周

Week long activities were held in all campuses to highlight the struggle of Pakistan Movement and to bring the true concept of Pakistan ideology to students through different competitions like Song competitions, debate competitions and poetry.

Off-Campus Activities:

Beside activities in campuses, Riphah Students participated in different off campus activities to represent university in competitions, seminars etc like;

• A day with Pak Army
• Debate Competition NAB
• Anti-Drug Awareness Campaign Launching HEC
• PTV Talk Shows
• Nazria Pakistan Award Ceremony
• Hi-Tech and NUST Competitions

Sports

Inter faculty Sports Competitions and Riphahreheit organized at all campuses to engage students in good healthy activities through different competitions like Cricket, Football, Badminton, Table Tennis, Volley ball, Basketball, Swimming, E-games, Art Competition, Archery, Tug of war. Following sports events held;

• Inter Faculty Sports-Boys Inaugural Ceremony
• Inter Faculty Sports- Girls Inaugural Ceremony
• Inter Faculty Sports Week
