CELEBRATING
25
YEARS OF
EXCELLENCE

Dr. SHAMAILA ASAD HoD RICPP-LHR

Welcome to Riphah Institute of Clinical and Professional Psychology, Riphah International University. As the HOD of RICPP, I am pleased to extend you a warm welcome. Thank you for showing interest in RICPP. RICPP is an excellent choice and we hope to guide you through a rich and transformative journey where you will grow personally, academically and professionally on the road for a successful career in various disciplines of psychology. The changing psychosocial and spiritual needs of the population and providing quality assessment and treatment for psychosocial problems is one of the greatest challenges facing modern society. Our focus is on equipping our students to be able to rise to the challenges and complexities of the modern world. RICPP provides exciting educational opportunities for students from all diverse backgrounds and locations. We offer many different undergraduates, postgraduate, and continuing professional development courses that prepare students for success in the real world. Our scheme of studies are academic, research, and clinically driven. Students will have opportunities for internships and other clinical experiences. We also use digital technology in our teaching and learning activities. The faculty are dedicated, professionals who excel in connecting with students and providing teaching and learning activities equal to that of any university. On behalf of the faculty of RICPP, I am pleased to welcome you to Riphah International University. We hope that your studentships will be an enriching, rewarding and enjoyable one, and wish you every success with your studies here.

OVERVIEW

The Riphah Institute of Clinical and Professional Psychology (RICPP) was established in 2015, in order to develop a Comprehensive Training Program for Professional Psychologists in Pakistan. It focuses to expand the Role of Psychology to deal with wide range of Psychological Problems of Individuals as well as the Community at large. The reputation of this Department is reflected in the keen competition for entrance of students to its vast variety of Programs. RICPP aims to raise the Standard of Psychology to International Level.

Riphah is 'W' Category University and only Private Sector University funded by HEC.
