## PROF. Dr. SYED SHAKIL-UR-REHMAN DIRECTOR FR&AHS – LHR

Riphah College of Rehabilitation & Allied Health Sciences is a student-centered institution and well known for value-based professional education in the country. The college is the largest Rehab & Allied Health Science institution in the region with a presence in the five major cities. The institute has a highly qualified and specialized team of faculty members in all disciplines of Rehab & Allied Health Sciences with a good research profile. Academic programs are offered at undergraduate and M.Phil/MS level and striving for PhD level programs too. The college is supported by a purpose built with state-of-the-art lecture theaters, specialized teaching and research labs, hospitals, rehab centers and physical as well as digital library. The clinical sites attached with the college has produced significant community impact and provide free health and rehab care facility to the general public. The college has clear agenda for the promotion of research in Rehab and Allied Health Sciences, therefore, regularly organized national and international research conference and publishing research journal. My vision for this prestigious college is "To be a Rehabilitation & Allied Health Sciences Institute according to international standards dedicated for value based professional education with academic Excellence globally".

### OVERVIEW

Riphah College of Rehabilitation & Allied Health Sciences is a student-centered institution and well known for value-based professional education in the country. The institute has a highly qualified and specialized faculty in all disciplines of Rehab and Allied Health Sciences with eminent research profile. We offer since academic programs at undergraduate, MPhil/MS level and PhD in Rehabilitation Sciences. The college is supported by a purpose built with state of the art lecture theaters, specialized teaching and research labs, hospitals, rehab centers and physical as well as digital library. My vision for this prestigious college is "To be a Rehabilitation & Allied Health Sciences Institute according to international standards dedicated for value based professional education with academic excellence globally".

## ELIGIBILITY CRITERIA

### UNDERGRADUATE PROGRAM

#### DPT

Doctor of Physical Therapy ( 5-Years )
